#### **Parent Service Hours**

St. Thomas More School has some pretty amazing parents and we are so very grateful for the help and support that you provide! In order to celebrate our values of service and honor the many hours that you dedicate to helping our school and our children, we will be awarding families hours for helping and assisting with STM events, functions, and donations. We would like to celebrate you and the service you bring to STM!!

## **REPEATED NEWS FROM STM**

### **Hispanic Heritage Month Celebration**

St. Thomas More School will be celebrating Hispanic Heritage Month on Thursday, September 22nd after school from 3:15 - 5:00pm in the school cafeteria with Kermes. Your child's teacher will be reaching out to you with various ways that you can help! We are asking each class to bring a certain type of Hispanic food to sell, and to help decorate a table. We hope you can attend! Also, students may dress up on Thursday, September 22nd in traditional Hispanic attire during the school day!

### **Student Birthday Treat Policy**

STM students are welcome (not required) to bring and share one birthday treat with classmates. Single serve items like cupcakes or cookies are recommended. No cakes or juice please! We ask that birthday parties be planned outside of school. This policy was created to ensure that all STM students feel special and recognized on their birthdays and that student learning is not interrupted. Thank you for understanding!

### **Student Snack Policy**

Please do not send snacks to school with students. STM students receive healthy school snack options throughout the day and have plenty of opportunities to eat when hungry. A snack from home is not necessary unless medically necessary. Please contact the office with any questions or exceptions.

### **Student Illness & COVID**

It is the time of year when children, and others become ill, especially because we are back in school and closer together. If your child becomes ill, please keep them home. Your child may return to school when they are fever free for 24 hours. If your child tests positive for COVID, they must stay home for five days from the onset of symptoms, and can then return to school and mask for an additional 5 days. If you have any questions, simply call the office and we will guide you!
